

Modern Plastic Chains and Metal Square Hollow Pedestal with a Wood Top

As low as **\$1,200**

In stock

SKU

LU825842922252

Details

This piece features a square hollow metal frame as its base, providing stability and support. Plastic chains that appears metallic are integrated into the design, adding a distinctive structural element. The top is made of wood, offering a functional surface with a natural touch. Suitable as a display stand or accent table, this design combines industrial and modern materials in a straightforward composition.
