Details

The Tom Dixon large pendant light features a deep, lustrous black lacquer shade and a frosted plexiglass screen which filters the light and creates a warm inviting atmosphere. The pendant light is crafted with exceptional attention to detail, showcasing Tom Dixon's reputation as a maverick designer and innovator.

The light can be dimmed to suit the mood, making it an excellent choice for any setting.

As the founder and Creative Director of the brand, Tom Dixon's passion for design is evident in every aspect of this pendant light. His commitment to simple, modern design is reflected in its sleek lines and minimalist style.

With a career spanning several decades, Tom Dixon's influence on the design world cannot be overstated. He has received numerous accolades and awards for his innovative and groundbreaking work, including an OBE from the Queen of England. His reputation as a visionary designer and artist has made him one of the most celebrated figures in the industry.

The pendant light's dimensions are W 29.5 x H 26 but of course the brass stem can be replaced by a longer one.
